IMMER 2

Das Spiel hat 13 Karten mit jeweils 4 Bildern.

Alle Karten werden an die beiden Mitspieler zu gleichen Teilen ausgeteilt.

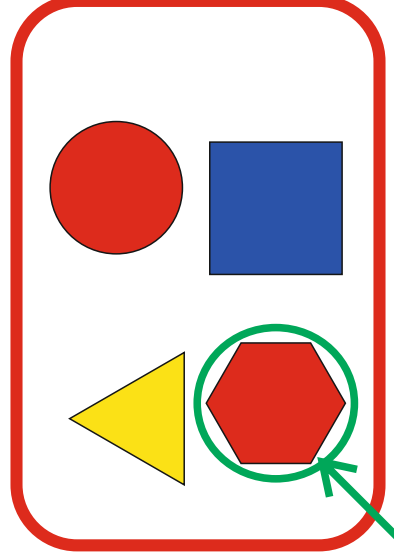

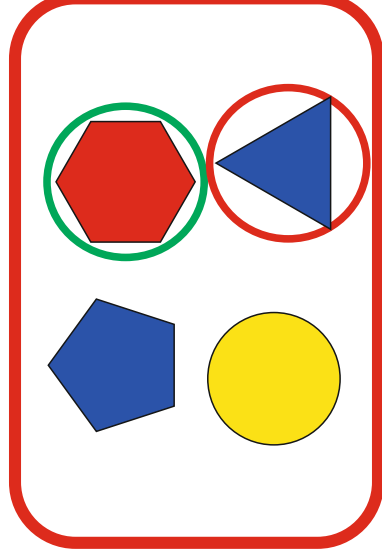

Die letzte Karte wird aufgedeckt auf den Tisch gelegt (Ablegestapel).

Nun müssen beide gleichzeitig die Bilder auf dieser Karte mit den Bildern ihrer oben liegenden Karte vergleichen.

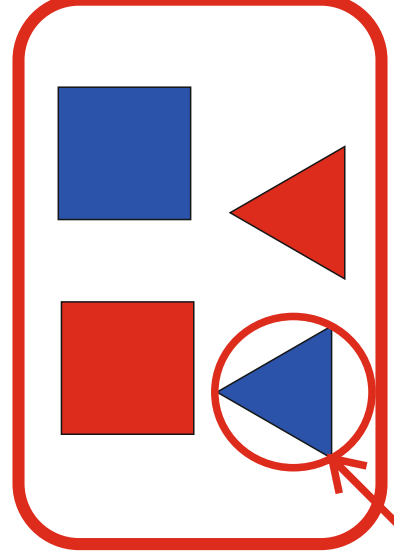

Wer am schnellsten das auf beiden Karten gleiche Bild benennt, kann seine Karte auf den Stapel legen.

Gewonnen hat der Spieler, der zuerst alle seine Karten abgelegt hat.
